

Emergency Response

Godwin is the industry's true 24/7 pumping expert. We know that emergencies don't work a 9-to-5 schedule, and neither do we.

When a hurricane approaches, snow is melting, or rain is in the forecast, don't get caught unprepared... Call Godwin at 1-800-24PUMP4.

We have a rental fleet of more than 5,000 pieces of equipment, ready to work for you! Our broad range of portable rental pumps is available through a network of over 40 company-owned branches and 300 distributor locations throughout the United States.

We help you design, deliver and set up pumping systems, small or large. And we do it quickly.

We are your emergency response specialists for situations such as:

- Flood suppression
- Hurricane preparedness
- Drought relief
- Sewer overflows

The Godwin Dri-Prime® pump has led the market for over 35 years, with features including:

- Fully automatic priming from dry to 28' (8.5 m) of suction lift
- Dry running, oil bath mechanical seal with abrasion-resistant solid silicon carbide faces
- Continuously operated Godwin venturi air ejector priming device
- Portable diesel pumps with discharge from 2" to 24" in diameter, and flow capacity up to 16,500 GPM
